

POSITION POSTING – Content Publisher

Location: London, UK.

*This is a unique opportunity for an individual to join, and have a centralised role within the research department at a fast-growing Fintech firm. To apply, please submit a CV and cover letter detailing your motivation for applying to Neudata. **Applications without a cover letter will not be considered.***

COMPANY

Headquartered in London, with offices in NYC and Shanghai, Neudata is the only objective and neutral data scouting service that is dedicated to finding alpha-generating data for investment managers. In just four years, Neudata has grown to be the number one provider of data scouting services to investors globally, and is now gearing up to continue its rapid growth by launching new products, and entering new market segments and verticals.

Neudata's Software as a Service (SaaS) catalogue of 5000+ dataset reports provide tools for users to easily search, source, compare and manage the best global alternative data providers, while leveraging real-time insights from its team of expert research analysts based in London, New York and Shanghai.

JOB DESCRIPTION

You will work directly with the Head of Research and research team members, supporting their global scouting and research work. The role will primarily entail:

- Publishing analyst research reports and literature reviews on the Neudata platform.
 - Proofreading and editing reports through our content management system.
 - Monitoring industry news and updating company profiles.
 - Designing marketing campaigns for clients and prospective clients.
 - Ad-hoc administrative tasks to support the research team.
-

YOU MUST HAVE

- High level of literacy, numeracy, and attention to detail.
- Excellent at organisation and multi-tasking.
- Comfortable working in a self-directed environment – a motivated self-starter.
- Familiarity with Microsoft Office, particularly in Word, PowerPoint, and Excel.
- Team player and an adaptable approach to work.

The candidate is not required to have any advanced knowledge or experience of data science. Rather, we are looking to add someone to our team who has good common sense, energy, and a real desire to learn and make a difference amongst the research team.

COMPENSATION

- Competitive base salary and bonus scheme.
- Paid study leave and volunteering days.
- 25 to 30 days of annual leave.
- Benefits package.
- Weekly supply of office snacks.
- Bi-Weekly staff lunches.
- Trendy, dog friendly office building with free hot drinks, beer taps and meditation space.
- Staff offsites.

Applicants must be eligible to work in the UK, and should be available immediately or ASAP. Please submit your CV with a cover letter to hr@neudata.co.

Applicants must be already eligible to work in the UK, and should be available ASAP. Please submit your CV with cover letter to HR@neudata.co
