**POSITION POSTING:**      **Events Management Graduate**  
**Location:**                      **London**

### **COMPANY**

Neudata is headquartered in London and operates globally. We work with Investment Management clients worldwide who manage more than \$7tn in assets, helping them find, evaluate and select new data sources, "alternative data", that will help their investment process. We deliver our service via our 'Scout' online 'software as a service' platform and expert consultancy. We have grown our business significantly in the last year and are now looking for a Events Management graduate to join our team.

### **JOB DESCRIPTION**

This is an excellent opportunity for a commercially-minded person to join a fast growing FinTech firm with a global client base. Reporting to Neudata's Chief Commercial Officer, you will develop and expand our events programme, generating revenue, leads and strengthen our brand. You will have global responsibilities for events and marketing activities.

### **ROLE RESPONSIBILITIES**

- Contribute to Neudata's marketing and events strategy, working closely with the CEO and CCO.
- Plan and programme several large (400+ attendees) events per annum, around the world, and a programme of smaller seminars, webinars and client events.
- Take operational responsibility for all events, including dealing with venues, production teams, suppliers, partners and sponsors.
- Generate significant revenue and profit contributions from marketing and selling event packages and sponsorships. Close sponsorship deals directly, and support sales colleagues.

### **YOU SHOULD HAVE**

- A degree in Business, Finance or Economics, or a related discipline.
- A keen interest in the world of Investment Management and business affairs.

The key requirement for the role is a desire to learn and a desire to take responsibility and drive results. Experience and skills that would be strongly advantageous include:

- 1-2 years event management experience, ideally in Financial Services.
- Experience working with any modern CRM system.
- Experience working with an Email Service Provider.
- Strong MS Excel skills.
- Strong organisational skills.
- European language skills / Chinese or Japanese language skills.

### **COMPENSATION**

- Competitive base salary and bonus.
- Applicants must be already eligible to work in the UK, and should be available ASAP.
- Please submit your CV with salary expectations to [HR@neudata.co](mailto:HR@neudata.co)

This is a fabulous opportunity to be part of an innovative start-up which is at the centre of a data-driven paradigm shift in the Asset Management and FinTech industries.
